

Battersea, London

belong too

FUSE delivers 40,000 sq ft of efficient and effective workspace, moments from the reinvented Battersea Power Station development.

This is where progressive and imaginative thinkers have the opportunity to play a part in London's most innovative and exciting neighbourhood. A neighbourhood whereby workstyle and lifestyle have been fused in to an experience that is unique within the capital.

Office at Fuse and belong too.

Efficient+effective

On completion Autumn 2024, Fuse will provide ten floors of exceptional Cat A offices all set within the calm of a carefully curated 23,000 sq ft public realm.

Typical floors measure 4,200 sq ft and fulfil a unique position in the evolving local 'big' business community. They provide a real alternative so that enterprising commerce can be part of the evolving business scene.

Levels nine and ten include private 200 sq ft balconies. A 2,000 sq ft roof garden sits above, providing an exclusive communal space with outstanding views from sunrise to sunset.

The lower ground accommodates the active commuter with beautifully appointed showers and changing facilities designed to ensure the very best start to your day.

Anticipated accreditations include BREEAM Outstanding, WELL standard Gold and WiredScore Gold.

Spaces to relax and share memorable moments with friends and colleagues, provide a welcome break from the working day.

People+place

Battersea Power Station has been reimagined as one of the most innovative mixed-use neighbourhoods in the world.

A place to shop, eat, drink, live, work and play; here life doesn't feel ordinary, it feels extraordinary.

With the open spaces of Battersea Park on its doorstep and a new underground station only moments away, it is rapidly becoming London's most exciting business and leisure destination.

No longer a pioneering vision, this is the new jewel in Battersea where lifestyle and workstyle are harmoniously fused together.

Battersea Park provides 200 acres of open parkland in the heart of London. This oasis of tranquillity boasts countless facilities including sporting, leisure and cultural amenities.

Healthy+happy

On a network of cycle lanes and running routes, adjacent to Battersea Park and with superb end-of-journey facilities, Fuse is a fitness fanatic's and active commuter's joy.

Food+fun

A new destination to enjoy a unique fusion of shops, bars, restaurants, entertainment venues, parks and art spaces.

A place to shop, eat, drink, live, work and play.

Local+global

Battersea is where local and global brands co-exist with artisan outlets and high end retail to generate energy, innovation and anticipation.

Set back from the roadside and within its own landscaped gardens, the entrance provides an appropriate welcome, suited to progressive business.

People+place

At the heart of the Fuse vision is the individual. It is a place where people will want to work rather than have to work.

This is a building that puts people first, in an environment that encourages community and provides opportunity for people to thrive within a workspace designed to enhance personal and professional performance.

The external gardens migrate in to a generous, double-height reception.

Open plan Cat A floors with superb daylight penetration provide flexible space suited to any requirement.

Appropriate for a variety of occupier types, Fuse provides efficient, effective and expressive floors.

Panoramic views of a bustling city can be enjoyed and shared from the private roof garden.
